ON FOREST LANE NEWS

Assisted Living with Inpatient/Outpatient Rehab Therapy On-Campus

Think green as we host some fun on St. Patrick's Day, March 17th at 12pm. We're kicking off the day with an Irish-themed community dinner, followed by a "Lucky" version of Bingo, a scavenger hunt for only green items, and we'll top it off with "Make me a leprechaun." Be sure to join us!

Letter from Administrator

Hello again.

I would like to recognize the families of our residents and the staff who take such good care of them. Even though we have undergone staffing changes in the last few months, our quality of care has remained exceptional.

With that being said, I would like to welcome Blake to our facility. Blake has taken on the role of the activities aid at the Residences on Forest Lane.

Working together we are developing a well thought out activities program which is creative and stimulating to the mind. Our intent is that the facility identifies each resident's interests and needs and involves all residents in an ongoing program of activities designed to appeal to varied interests while enhancing each resident's highest practicable level of physical, mental and psychosocial well-being.

Special thanks go out to the family of Betty M. who graciously donated "Faces and Places" to our activities program, along with a beautiful sofa to adorn our library. Our residents will truly benefit from this wonderful gift for years to come.

Sincerely, Kate Schlote

Facility Highlights

We are now pleased to offer a full-time activities program for the well-being of our residents and the community. Any donations towards the activities program will be much appreciated. Monetary donations and donations of useful items for activities are much appreciated. All donations are tax-deductible.
